The meaning that employment gives to a person's life is profound and powerful.

Lighthouse Louisiana works with individuals with disabilities to identify and understand their goals, skills and challenges related to employment.

**In 2018 we found careers for people in the fields of:**

Utilities : Administrative : Accounting:  
Fundraising : Custodial : Food Service  
Manufacturing : Retail

**"Working again motivates me.  
I have a new lease on life."**

**"Everyone that has passed  
through our doors from the  
Lighthouse has been a pleasure  
to work with."**
